Members reviewed Trash Off participation, funding, sponsorship and activities. It was decided through consensus that recruiting through local business is the next step in growing the program. Outreach to civic groups, youth organizations, student organizations, and churches has left the number of volunteers and participants static. Each member will, over the course of the next few months, contact at least one local business per month and bring that contact information to the KSB Commission for inclusion in the Trash Off contacts list.

4. Yard of the Month

There was one nomination for Yard of the Month for the month of June. It is: 724 Hall St. The owner is Pamela Lide. By default 724 Hall St. is the Yard of the Month for June 2013.

Ms. Santiago has witnessed incidents of blatant littering at Central Park. Gladys Santiago would like the KSB Commission to research the possibility of placing litter warning signs in Seagoville Parks.
