4. Discuss/Review Litter Warning Signs

For the past several months the KSB Commission has reviewed the possibility of placing litter warning signs in Seagoville Parks to alleviate a noted litter problem. Staff liaison Liz Gant relayed that the Park Board, and Public Works had also been looking into the issue. Alexandria Perez shared a conversation held with a Seagoville Police Officer indicating they were aware of the problem and noted that the officer stated "People do not litter when a police officer is on the premises". Alexandria Perez suggested KSB could ask them to commit to a few hours each quarter providing a presence in the park. Gladys Santiago suggested approaching the citizens on patrol to see if they would participate by providing litter punishment information to those they saw littering. She also suggested having a police officer deliver a short talk on the problems and consequences of litter at our Annual Trash Off event.
