

KSB's Adopt-a-Spot program gives local groups the opportunity to help keep Seagoville beautiful by collecting litter and beautifying streets in the community.

BEFORE submitting this application, please keep in mind:

- Your group must adopt a street within the City of Seagoville for **two years**.
- Your group must agree to clean-up litter along the adopted street **at least four times per year**, including a mandatory spring clean up that coincides with the annual Don't Mess With Texas Trash Off that is generally held in April of each year.
- KSB will work with the City of Seagoville to put up your sign **after** application approval and an agreement has been signed and submitted to KSB.
- KSB will provide your group with free safety vests and safety guidelines.
