Educating All Students For Success

February 15, 2016

Dear Parents/Guardians,

The safety and security of our students at Central Elementary School is our top priority. When issues of concern are brought to our attention, we feel it is important to share them with you.

Police are investigating an incident where a man approached one of our students yesterday and attempted to lure him into his vehicle with candy, as the student walked home from school. We are thankful the student was not harmed, and we are working closely with both Dallas ISD Police and the Seagoville Police Department to help keep our students safe.

This is a reminder to speak with your child about "stranger danger" and how to avoid unsafe situations. Students should avoid contact with strangers and immediately notify an adult if they encounter a suspicious situation. Also, we would like to encourage students to travel with a buddy, or adult, when walking to and from school.

Together, we will work to keep our students safe and focused on doing their best in school. If you have any questions or concerns, always feel free to call us at (972) 749-6800.

Sincerely,

Julie Singleton,
Principal
Central Elementary School
