Seagoville Recognized as One of the Top 50 Safest Cities in Texas

The City of Seagoville recently was ranked one of Texas "Top 50 Safest Cities" by BackgroundChecks.org a site devoted to public safety and open government. Rankings are based on FBI violent crime stats and proprietary BackgroundChecks.org research data. Seagoville ranking #23 in a statewide field of over 3000 potential cities is a direct reflection of the commitment of the Seagoville Community as a team. Police and Fire Departments, Citizens and City Staff as well as Schools and the Business Community all contribute to the safety and well-being of our community.

For 2015 the City of Seagoville experienced a year-end overall reduction in FBI Uniform Crime Reporting (UCR) Part 1 Offenses of -6.63%. This is an overall average of the Part 1 crime statistics for UCR. Part 1 crimes encompass major crimes (robbery, homicide, rape, burglary, etc.) including all variations of theft.

Mayor Dennis K. Childress will issue a Proclamation at the March 7, 2016 City Council meeting in recognition of this accomplishment.
